

**I can't sleep**

I can't sleep. What's in my bed? It's my truck! It feels hard.

I can't sleep. What's in my bed? It's my marbles! They feel bumpy.

I can't sleep. What's in my bed? It's my lollipop! It feels sticky.

I can't sleep. What's in my bed? It's my bike! It feels lumpy.

I can't sleep. Now I feel grumpy!

What's in my bed? It's my bear!

My bear isn't hard. My bear isn't bumpy.

My bear isn't sticky. My bear isn't lumpy. My bear isn't grumpy!

My bear feels just right! Good night!
